

Cancer can do a lot of things. It can deplete your body. It can remove your hair. It can erase your energy. It can strip your confidence. But there are many things that cancer cannot do.

What Cancer Cannot Do

- It cannot cripple Love
- It cannot shatter Hope
- It cannot corrode Faith
- It cannot destroy Peace
- It cannot kill Friendship
- It cannot suppress Memories
- It cannot silence Courage
- It cannot invade the Soul
- It cannot steal Eternal Life
- It cannot conquer the Spirit.

-Unknown

Hope matters.

STRENGTH • HOPE • COURAGE

STRENGTH • HOPE • COURAGE

The Wabash County Cancer Society

"You have cancer." They are just three words, but they are three of the most powerful words in the English language. They are life-altering. Mind-blowing. Earth-shattering. The moment you hear these three words spoken to you, your world will never be the same. You instantly feel alone. Scared. Lost. That's why we're here. We are here to help you navigate through this maze called "Cancer". We are here to make sure you don't feel alone in this struggle. We are here to give you HOPE.

What is the Wabash County Cancer Society?

The Wabash County Cancer Society is a volunteer organization that is dedicated to helping Wabash County residents who have been diagnosed with cancer. Your date of diagnosis does not matter. All that matters is that you are a resident of Wabash County and have been for a period of at least one year, and are receiving treatment at a facility within Indiana.

"You have cancer."

They are just three words, but they are three of the most powerful words in the English language. They are life-altering. Mind-blowing. Earth-shattering. The moment you hear these three words spoken to you, your world will never be the same. You instantly feel alone. Scared. Lost. That's why we're here.

How do we help?

Besides offering emotional support, there are two main areas of assistance we offer to Wabash County residents battling cancer: financial and equipment/supplies loan. We offer financial assistance with expenses that Medicare and traditional health insurance programs do not cover, such as mileage reimbursement and prescription costs. We provide up to \$2,000 per patient during a 12-month period. There are numerous supplies and equipment that we have available to local cancer patients, including but not limited to:

- Hospital beds
- Wheelchairs
- Commodes
- Bedside tables
- Walkers

How are we funded?

Our funding comes from various sources including the United Fund of Wabash County, grants from various organizations, memorial gifts, charitable donations, and endowments.

How do I apply for assistance?

Fill out the form included in this brochure and mail to the address listed. When we receive the form we will mail you an application.

Are you affiliated with the American Cancer Society?

No. Money donated or granted to Wabash County Cancer Society goes directly to help Wabash County residents fighting cancer. We are an individual, nonprofit volunteer organization founded for and operated by Wabash County Citizens.
